

How to Add Students:

1). Log into the MathsBolt app on the School OR Teacher Dashboard.

2). Click the “Add Student” button.

A screenshot of the Maths Bolt app dashboard. The header shows the Maths Bolt logo, "Example School", and "Sign Out" and "Settings" buttons. The main content area is divided into two columns. The left column is titled "Select Class" and contains buttons for "Add Classroom" (with a dropdown arrow), "View Teachers", "View Classrooms", "View Parents", and "QR Codes". The right column is titled "Tools" and contains buttons for "Add Classroom", "Add Teacher", and "Add Student". Below the "Tools" section is a "Licenses" section with a "View Licenses" button.

3). Follow the on screen instructions for each student.

A screenshot of the Maths Bolt app's "Add Student" form. The header shows the Maths Bolt logo, "Example School", and "Sign Out" and "Settings" buttons. The main content area has a "Back" button on the left and the title "Add Student". Below the title is a "Student Classroom" section with an "Add Classroom" dropdown menu. The "Student Name" field is labeled "(first name only recommended)" and has a text input field with "Enter text..." placeholder. The "Parent Email" field has a text input field with "Enter text..." placeholder. Below these fields is a "Consent Received?" label with an unchecked checkbox. At the bottom is an "Add Student" button.
